Hey Kids!!!!!!

Summer Vacation is at your doorstep, probably the best time of the year for you all. We wish that you enjoy your long break with your parents, family and friends. Try to utilize your time in such a way that you are able to sharpen your intellect as well as tone up your body by doing exercises. Read, play and enjoy!

Summer Vacation is a time full of fun and frolic, going for picnics, playing for long hours, exploring new places and much more. But dear children, there is a lot more to do to make your vacation more interesting and meaningful. Holiday time is a well-deserved opportunity to relax and unwind by indulging in activities that are pleasurable at the same time educative.

Summer Holiday Homework is an initiative on our part, to inculcate innovation, creativity and interest in the tasks assigned to our students. It will not only enable them to recapitulate what was taught but will also help them to connect themselves to the various learning processes. Please ensure that you complete the assignments neatly.
