Walking down the aisle in all their splendor, with their heads held high, the VIP's of the evening – the outgoing batch of Class XII, took their much coveted places.. As a token of gratitude cultural programme gathered momentum with enthusiasm. The programme culminated with mixed feelings of pride and sadness covering the milestone of their journey of spending glorious years in school.

# FAREWELL GLIMPSE

# GRADUATION CEREMONY

## Beginning of successful journey

Graduation ceremony at VikasBharati Public School, Rohini was a 'spectrum of unity'. The parent community was welcomed to witness the most cherished moment of their wards. The chairman Anoop Singh Solanki along with the Academic Director and Principal ma'am lit the auspicious inaugural lamp and the programme commenced with the prayer, invoking the blessings of the Almighty. A beautiful dance performance 'Wondrous Spectrum' was showcased by the tiny tots of pre-school. Through the illuminating colours of the rainbow, it focused on the message of 'Unity in Diversity'. The Chairman Anoop Singh Solanki delivered a thought provoking speech urging parents to focus on microcosm of life and exhorting them to be the role models.

## E-SUMMIT 2023 @ IIT BOMBAY

IIT Bombay hosted the 18th edition of the Entrepreneurship Summit on January 28th and 29th. E-Summit'23 aimed to provide a platform for discussion on innovative ideas that have the potential to transform current challenges into opportunities for positive change. The goal of the event was to inspire and offer rays of hope to attendees. Our students were very fortunate to be invited in this summit and got the opportunity to pitch their products in front of investors. Investors liked the products and even were ready to provide market and fund for the products. Everyone at the summit were amazed to see the work done by kids of just 11 and 12 years. Children participated in competitions like Virtual stock market, Fish Tank, Networking Arena, Eureka Junior and Squid Game.

## AGRO HACKATHON

Five teams (Agro-Echo Innovators, Anna Rakshak, Smart Society, EVfy India and Antidote for Kidnappers) from our school participated in 5th Technovation Hackathon at Sharda University, Greater Noida, India during 30th January to 04th February 2023. All 5 teams selected in online evaluations and finally, two teams from VBPS achieved Rank 1 (Team: Antidote for Kidnappers) and Rank 2 (Smart Society) in School Category out of top five winners. Cash Prize of 1st Ranker was 15000/- and of 2nd ranker was 8000/-

## Pariksha pe charcha

Pariksha pe charcha is massively popular interaction with not only the students but also teachers and parents of the prime minister, Narendra Modi for the tips and advice to the students appearing for the examination.

## DCPCR's journal - 'Children First Journal on Children's Lives'

KANAK RANA, a student of our school was felicitated for her painting that has been published in the third issue of DCPCR's journal - 'Children First Journal on Children's Lives'. DCPCR, Delhi Commission for Protection of Child Rights, organised a grand function at TRIVENI AUDITORIUM, Tansen Marg, Mandi House, Delhi to launch the said Journal. We wish KANAK RANA for her future endeavours.

## HINDI DEBATE

Debates witnessed an overwhelming participation bringing out the oratory skills amongst the students. Enthusiasm and excitement was noticed in their expression of ideas, emotion and talent along with creativity.

## ENGLISH DEBATE

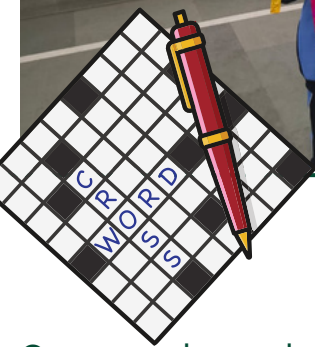

A debate is a formal contest of argumentation when two opposing teams defend and attack the given resolution. Contestants from classes IX –XI participated enthusiastically expressing their ideas eloquently in an inter house English Debate competition based on the theme International Mother Language Day. Aravali House was declared as winner and students gained the experience of critical thinking and team work while enhancing their speaking skills.

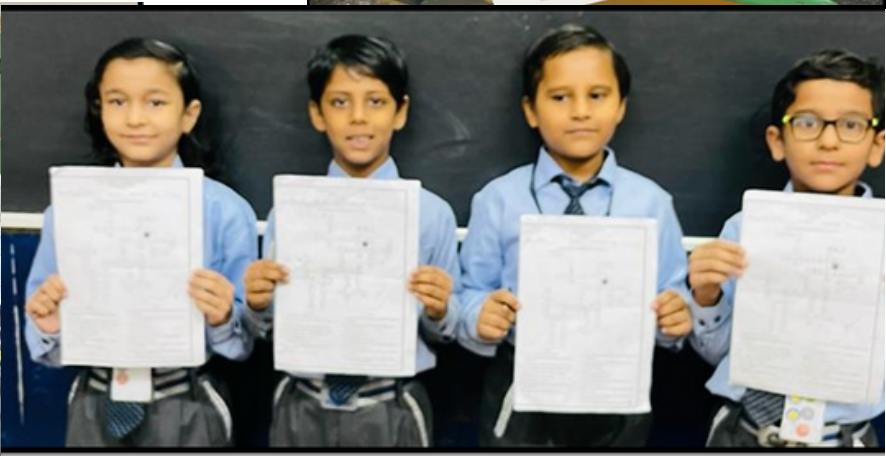

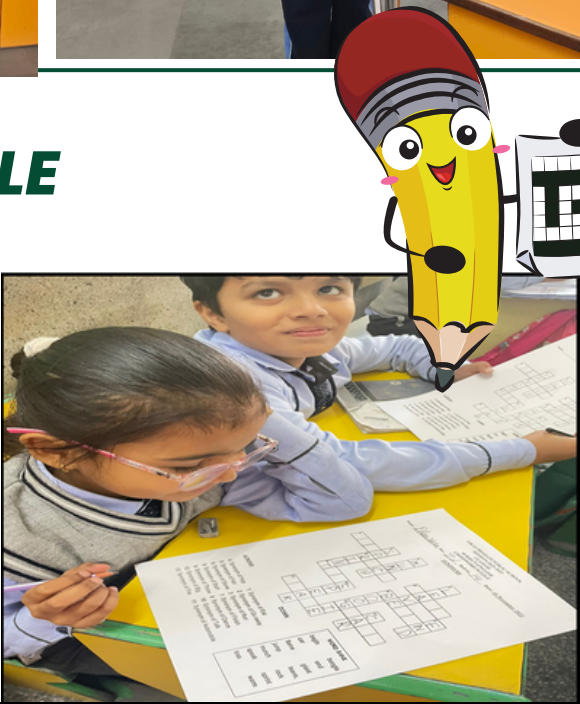

# ENGLISH STORY TELLING

Storytelling is an art of narrating or unfolding the narratives of a story. It has been a part of our culture and tradition for centuries or we can say from many civilizations. Stories teach us about life, about ourselves, and others. Competitions are the best way to build the confidence in children. Keeping this in mind, an ENGLISH STORY TELLING COMPETITION was conducted for CLASS 1 to enhance the confidence and speaking skills of the students. Many students participated in the competition. The tiny tots participated in the competition actively and enthusiastically and performed spectacularly narrating their favourite stories with awesome enthusiasm, props, actions, voice modulation and impressive expressions which impressed the judges very much.

## CROSSWORD PUZZLE

Crosswords can be used to teach terminology, definitions, spelling, and pairing key concepts. Puzzles develop memory skills, as well as an ability to plan, test ideas and solve problems. Crossword puzzles help students in critical thinking while pondering through various clues with narrowing the possible range of answers. These help in identifying not only the area of comprehension but also increase in confidence. Apart from motivating student learning, it also extends their knowledge on vocabulary. Since students need to spell items correctly to complete the puzzle, they gain greater retention and memorization. Students of class II and III solved the crossword puzzle while taking keen interest in doing the activity.

## Ad Enactment

To provide a platform to the little ones to explore their innate talent, an Ad Enactment Competition was held for the students of Class III. Participants advertised their products in the most innovative and effective manner and came up with wonderful jingles and advertisements. Overall, it was an excellent learning experience for the little ones to explore and adopt the life skills.

## Shloka Competition

Shloka chanting improves the memory and concentration making students better. So participating enthusiastically in shloka competition boosted the confidence and moral of the students.
